

## MiniMuni: Best Practices and Current Topics in the Municipal Market for Issuers

October 19-21, 2020 | Day 1 – 1:00 – 4:00 pm | Day 2 – 1:00 – 4:30 pm  
Day 3 – 1:00 pm – 4:00 pm (Eastern)

### Who Will Benefit:

Finance officers responsible for issuing Municipal debt.

### Program Description:

Governmental entities have been using debt for more than 200 years to fund public infrastructure, such as government buildings, water distribution systems, schools, police stations, and many other projects that require significant capital investment. Before issuing debt, a government needs to consider many factors including the most current information of current federal legislation and regulations. This multi-day virtual session provides an opportunity to hear first-hand from key leaders in Washington, D.C., and participate in dialogue with issuer peers.

### Seminar Objectives:

Those who successfully complete this seminar should be able to:

- Understand key concepts affecting the issuance of public debt in 2020
- Network with key federal stakeholders
- Understand GFOA best practices for issuing and managing debt
- Understand disclosure requirements

### Instructors:

Please check [gfoa.org](http://gfoa.org) for a faculty listing of GFOA staff and/or practitioners as it becomes available.
